- *Software to schedule recordings of online radio stations? See <http://www.voquette.com>

*A World of Radio Editorial: BBC WS is hopelessly provincial; most important news story in the world was about cricket, a stupid ballgame; audio level changes sharply; internet feed 2.5 minutes behind, yet carries timesignal

*Propagation outlook from Boulder, April 11: flux peak 225 April 27

*The end of WOR; remember our new time on WBCQ-1. Check our website

*Glenn Hauser, here, hoping you`ll hear me again next week ###
